|  |                         |

| number of NC contacts for auxiliary contacts                   | 0                    |
|--|----------------------|
| number of NO contacts for auxiliary contacts                   | 1                    |
| number of CO contacts for auxiliary contacts                   | 0                    |
| operational current at AC-12                                   |                      |
| at 24 V rated value  | 10 A                 |
| at 60 V rated value  | 10 A                 |
| at 110 V rated value   | 10 A                 |
| at 230 V rated value   | 10 A                 |
| operational current at AC-15                                   |                      |
| • at 24 V rated value  | 4 A                  |
| • at 110 V rated value   | 4 A                  |
| at 230 V rated value   | 4 A                  |
| operational current at DC-12                                   |                      |
| at 24 V rated value  | 6 A                  |
| at 60 V rated value  | 5 A                  |
| at 110 V rated value   | 2.5 A                |
| at 230 V rated value   | 1 A                  |
| operational current at DC-13                                   |                      |
| at 24 V rated value  | 3 A                  |
| at 60 V rated value  | 1.2 A                |
| at 110 V rated value   | 0.7 A                |
| at 230 V rated value   | 0.3 A                |
| Connections/ Terminals   |                      |
| type of electrical connection                                  | tab terminals        |
| tightening torque of the screws in the bracket                 | 0.4 N·m              |
| Ambient conditions   |                      |
| ambient temperature  |                      |
| during operation   | -25 +60 °C           |
| during storage   | -40 +80 °C           |
| environmental category during operation according to IEC 60721 | 3K6                  |
| Installation/ mounting/ dimensions                             |                      |
| fastening method   | front plate mounting |
| shape of the installation opening                              | round                |
| mounting diameter  | 16 mm                |
| mounting height  | 8 mm                 |
| installation width   | 19 mm                |
| installation depth   | 50 mm                |
| Approvals Certificates   |                      |
|  |                      |

**General Product Approval** 

**Declaration of Conformity**

## Further information

Siemens has decided to exit the Russian market (see here).

https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
