# **SIEMENS**

## **Data sheet**

Illuminable selector switch, 22 mm, round, metal shiny, black, Selector switch short, 3 switch positions I-O-II, latching, actuating angle  $2x45^\circ$ , 10:30h/12h/13:30h

| product brand name   | SIRIUS ACT                             |
|--|--|
| product designation  | Selector switches                      |
| design of the product  | Actuating/signaling element            |
| product type designation                                       | 3SU1                                   |
| product line   | Metal, shiny, 22 mm                    |
| Enclosure  |  |
| number of command points                                       | 1                                      |
| Actuator   |  |
| design of the actuating element                                | Selector, short                        |
| principle of operation of the actuating element                | latching, 2x45° (10:30 h/12 h/13:30 h) |
| product extension optional                                     |  |
| • light source   | Yes                                    |
| <ul> <li>contact module</li> </ul>                             | Yes                                    |
| color of the actuating element                                 | black                                  |
| material of the actuating element                              | plastic                                |
| shape of the actuating element                                 | Handle                                 |
| outer diameter of the actuating element                        | 32.3 mm                                |
| number of switching positions                                  | 3                                      |
| actuating angle  |  |
| <ul><li>clockwise</li></ul>                                    | 45°                                    |
| <ul><li>anticlockwise</li></ul>                                | 45°                                    |
| Front ring   |  |
| product component front ring                                   | Yes                                    |
| design of the front ring                                       | standard                               |
| material of the front ring                                     | Metal, high gloss                      |
| color of the front ring  | silver                                 |
| General technical data   |  |
| protection class IP  | IP66, IP67, IP69(IP69K)                |
| degree of protection NEMA rating                               | 1, 2, 3, 3R, 4, 4X, 12, 13             |
| shock resistance   |  |
| • according to IEC 60068-2-27                                  | sinusoidal half-wave 15g / 11 ms       |
| vibration resistance   |  |
| according to IEC 60068-2-6                                     | 10 500 Hz: 5g                          |
| operating frequency maximum                                    | 1 800 1/h                              |
| mechanical service life (operating cycles) typical             | 1 000 000                              |
| reference code according to IEC 81346-2                        | S                                      |
| Substance Prohibitance (Date)                                  | 12/19/2016                             |
| Safety related data  |  |
| proportion of dangerous failures                               |  |
| <ul> <li>with low demand rate according to SN 31920</li> </ul> | 20 %                                   |

| <ul> <li>with high demand rate according to SN 31920</li> </ul>         | 20 %   |
|---|--|
| failure rate [FIT] with low demand rate according to SN 31920           | 100 FIT  |
| B10 value with high demand rate according to SN 31920                   | 300 000  |
| IEC 62061   |  |
| T1 value for proof test interval or service life according to IEC 61508 | 20 a   |
| Ambient conditions  |  |

#### Further information

Siemens has decided to exit the Russian market (see here).

https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
