LED module with integrated LED 6-24V AC/DC red, Spring-loaded terminal, for floor mounting

product designation         LED module           product type designation         35U1           endide technical data		
product yop designation growth and the set of the set o	product brand name	SIRIUS ACT
General technical data       product component       • diode       • lamp transformer       • light source       • series resistor       No       Insulation voltage rated value       320 V       degree of pollution       3       type of voltage of the operating voltage       • for actuation       surge voltage resistance rated value       4 KV       consumed current maximum       protection class IP       • of the enclosure       • of the enclosure       • of the terminal       succording to IEC 60068-2-27       socording to IEC 60068-2-27       • according to EEC 60068-2-27       • for railway applications according to EN 61373       Category 1, Class B       • of railway applications according to EN 61373       Category 1, Class B       • according to IEC 60068-2-6       • for railway applications according to EN 61373       Category 1, Class B       operating particity particity       • according to IEC 60068-2-2       P       Subtance Prohibitance (Date)       10/1/2014       SVHC substance name       Beliemoxid (Bleioxid) - 1317-36-8       2-4 Methyl-1-(4-methylthiophenyl)-2-morpho - 71808-10-5       2-2.2, 6, 6-Tertael value       • at AC   <	product designation	LED module

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
