

PCS 7 block library, SIMOCODE pro V7.X, AS blocks for integration of SIMOCODE pro in the process control system PCS 7 for the PCS 7 version V7.X, runtime software for execution of the AS block in an automation system, Single License License without software and documentation

General technical data			
software version		V 7	
product description		Runtime license for SIMOCODE pro for execution of AS blocks in one automation system	
national language of the software		german / english	
product variations		runtime software	
product license		Single License for 1 automation system	
operating system required		SIMATIC PCS 7 V 7.0 / V 7.1	
software class		A	
target system		SIMATIC PCS 7, SIMOCODE pro C / V	
Features			
product component component library		Yes	
<ul style="list-style-type: none"> • product function diagnostics function • product function controlled positioning • product function simulation function • product function technological function • product function analysis function • product function movement function • product function data acquisition function • product function commissioning function • product function communication function • product function project planning function • Product function maintenance function • product function evaluation function • product function parameterizing function 		Yes No No Yes No No Yes No Yes No No No No	
Requirements			
design of the drive/storage medium required			
<ul style="list-style-type: none"> • CD-ROM • floppy disk • DVD drive 		No No No	
Graphics card			
Software			
browser software required		no	
viewer software required		no	
Certificates/ approvals			
General Product Approval	EMC	Test Certificates	Marine / Shipping

Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
