

Complete unit signaling column, top: continuous light, yellow, center: continuous light, blue, bottom: continuous light, green, integrated LED 24 V AC/DC, connection element for pipe mounting, pipe, 250 mm, base, plastic

product brand name	SIRIUS
product designation	Complete unit
design of the product	including light sources
manufacturer's article number	
<ul style="list-style-type: none"> • of supplied connection element • of supplied mounting tube • of supplied mounting foot • of the signal column element <ul style="list-style-type: none"> — at position 3 — at position 2 — at position 1 	8WD4408-0AD 8WD4308-0EA 8WD4308-0DB 8WD4420-5AD 8WD4420-5AF 8WD4420-5AC
General technical data	
number of signal column elements	3
design of the signal column element	
<ul style="list-style-type: none"> • at position 3 • at position 2 • at position 1 	continuous light continuous light continuous light
color of the signal column element	
<ul style="list-style-type: none"> • at position 3 • at position 2 • at position 1 	yellow blue green
type of voltage of the operating voltage	AC/DC
operating voltage	
<ul style="list-style-type: none"> • 1 at DC rated value 	24 V
relative positive tolerance of the operating voltage	10 %
relative negative tolerance of the operating voltage	-10 %
consumed current maximum	95 mA
reference code according to EN 61346-2	P
Lamp	
product component light source	Yes
type of light source	LED
service life of LED	100 000 h
Enclosure	
height	457 mm
width	70 mm
outer diameter of the signal column element	70 mm
material	PC
fastening method	floor mounting
protection class IP	IP65
type of electrical connection	spring-loaded terminals

length of the mounting tube	250 mm	
Ambient conditions		
ambient temperature during operation	-20 ... +50 °C	
Certificates/ approvals		
General Product Approval	EMC	Declaration of Conformity

Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
