

Features

- Rack type: No external power
- Reliability for industrial standard
- Auto Crossover
- FG (Frame Ground) for RJ-45 connector
- Decreased communication error by shielded FTP/STP cable

Specification

Item		XGL-EH5T
Transmission	Communication speed	10/100Mbps
	Port type	10/100BASE-TX, TP cable, RJ-45 socket, 5ports
	Interface	Auto-Crossing, Auto-Nego., Auto-Polarity
	Distance	100m
	Diagnosis	LED (PWR, Link status, Data)
Current consumption (mA)		550
Weight (g)		90

System configuration
